Let's Get Started

Episode Theme: Serving Others- Jesus the Savior

1. Doing something “earnestly” means working at it seriously and with all your heart. Have you ever wanted something so badly that you “pleaded earnestly” like the man in [Mark 5:23](#)? What did you ask for? Who did you ask?
2. In this story, two people desperately want something. They both ask the one person they know they can trust: Jesus. As you listen, think about what you want to ask Jesus for.

Memory Verse

<p>He pleaded earnestly with him, “My little daughter is dying. Please come and put your hands on her so that she will be healed and live.”</p>

Mark 5:23

After You Listen

Jairus was a desperate man. His daughter lay dying, and he needed help. He saw Jesus standing in the middle of a huge crowd, and it didn't matter to him that Jesus was "busy teaching." Jairus was focused on his task. He barged in and pushed through the crowd until he reached Jesus and “pleaded earnestly” for him to come to his house.

The woman was also desperate. She had been suffering for years and was earnestly seeking healing. Unlike Jairus, she did not make a big scene to get Jesus' attention. She thought he could heal her if she could just quietly touch his clothes. And she was right! But even as busy as he was, Jesus wanted to stop and talk to her, too! He commended her faith and sent her on her way, healed.

When you “plead earnestly” to Jesus, are you more like Jairus or the woman? Do you ask loudly or quietly? Jesus has time and power for you either way. Nothing is too hard for him; he always has time to listen to your prayers.
