

NOAH'S ARK

Sometimes what God asks of us isn't easy. Meet Noah and his family.

Let's Get Started

Episode Theme: Doing What's Right - The Story Begins.

1. Proverbs 4:14-15 says, "Do not set foot on the path of the wicked or walk in the way of evildoers. Avoid it, do not travel on it; turn from it and go on your way." But is it easy to follow God's path?
2. As Noah and his family built the ark, can you imagine what the people around him thought? Genesis 6:5 says, "The Lord saw how great the wickedness of the human race had become on the earth, and that every inclination of the thoughts of the human heart was only evil all the time." That was most of the people on earth. In contrast, Genesis 6:9 says, "Noah was a righteous man, blameless among the people of his time, and he walked faithfully with God." As you listen, think of a time when you stood out as being different because of your obedience to God.

Memory Verse

The Lord then said to Noah, "Go into the ark, you and your whole family, because I have found you righteous in this generation." Genesis 7:1

Genesis 6:9- Genesis 9:17

After You Listen

We all want to feel accepted and be seen as "normal." But Noah lived during a time of terrible sin, and he didn't follow the crowd. What God thought of him mattered more to Noah. He was faithful to God, and God saw him as different, too! God needed someone faithful to build an ark, even through hard times when there was no sign of rain. Noah had to trust in God to guide him. God gave him specific instructions and provided him with all that he needed to build that giant ark. Throughout the building of the ark and the flood that followed, Noah got his strength from the Lord. Noah had to persevere and trust in God's plan for him. At the end of the story, Noah's family made it to safety, and God made a covenant promise between him, Noah, and his creation, symbolized by a rainbow.

We must remain faithful to God instead of worrying about what other people think. God calls us, too, and we need to trust in God's guidance. God provided Noah with the strength to face all his critics and difficulties. God can do the same for you, too. Can we stumble and sin? Yes, and our forgiving God picks us up and gives us grace. It's our job to work to stay faithful.
