After You Listen

Who is Jesus? Large crowds gathered around Jesus throughout his ministry. He healed some of them from life-threatening diseases. He cast demons out of others. He fed thousands of people with just a few loaves of bread and fish. And he raised some who were dead back to life. Jairus and his wife were sad because their little girl had died. But Jairus believed in Jesus and that he could do incredible miracles. And he did! Jesus raised Jairus' daughter from death. Jairus knew Jesus as a great teacher who could do incredible miracles. Jairus' daughter knew Jesus as the one who brought her back to life. The disciples knew Jesus as a miracle worker and teacher. The crowds thought Jesus might be some prophet from long ago raised to life. Peter confessed that Jesus was the Messiah, the Son of God, even if he didn't know what that meant. And Jesus knew that very soon he would die and be raised again to life. Knowing who Jesus is is an important part of the Easter story.

Knowing who Jesus is today is just as important! Some still say he was only a wise teacher or miracle worker. But the Bible makes it very clear that Jesus is God's Son and our Savior. He died so that we can forgive our sins and one day live with him forever in heaven.
