

KIDS CORNER BIBLE DEVOTIONS APP: BUILDING LIFELONG FAITH HABITS

March 27, 2026

What's a simple way to help our kids grow closer to God each day? How can faith become a natural part of their routine? We all want our children to grow in faith, make good choices, and understand how deeply God loves them. But busy schedules and constant distractions can make it hard to build strong spiritual habits at home.

That's why we're excited to introduce the **Kids Corner Bible Devotions App**, a brand-new app designed for kids and families! It's a fun, easy-to-use tool featuring short Bible readings, simple prayers, and interactive challenges that help children discover that time with God can be exciting and meaningful. Over time, these small moments grow into lasting habits of prayer and devotion.

Faith That Lasts a Lifetime. It all began with a simple question: *How do we help our kids build lifelong habits of devotion and prayer?* Like any habit, spiritual growth takes persistence and consistency, and for children, fun and enjoyment make all the difference.

That's why our *Kids Corner* team partnered with app developer Pageworks to craft a digital space—a special “kids’ corner” of God’s world—where kids can explore faith, learn, and grow.

Building Faith Together. Inside the app, kids will find familiar “Casey’s Day” characters from our [Kids Corner devotions](#), who will guide them through each activity. Devotions are broken into “snackable” pieces: Bible readings, memory verses, reflections, and prayers, along with fun puzzles, games, and interactive challenges.

Children can explore at their own pace or follow a step-by-step path. As they complete activities, they earn rewards to personalize their digital space, encouraging them to return each day.

The app also supports parents, helping them stay connected to what their child is learning and reinforcing those lessons at home. Privacy is important, so we have created a privacy policy for this app.

Growing Faithful Hearts. We know that **God is at work in our children’s hearts**. Our prayer is that this app will inspire kids to spend time with him and give parents a joyful way to share in that journey. We can’t wait for you and your family to experience this exciting new way to grow closer to God one devotion at a time.
