It's time to start thinking about the traditions we teach our children during the holidays (holy days). Many churches use Advent candles and wreaths to mark the passing of the four weeks of Advent.

As you anticipate and plan for Advent and Christmas, why not start a new tradition of Advent devotions and candle lighting at home? Check out Kids Corner's [Gifts of Kindness Advent Calendar and Devotionals](#). Countdown to Christmas and prepare your family for the greatest gift of all, Jesus Christ. Included are 24 dated ornaments and five family devotionals.

Also, take a look at Kids Corner's Christmas Collection with all our free Advent, Christmas, and New Year crafts, devotions, activities, and audio drama podcasts. On Christmas day, read the KC special Christmas devotional!
