What are your favorite pizza toppings? What would *not* taste good on pizza?

Garry's family always had two discussions on pizza and movie nights. The first was about what toppings to get on the pizza; some wanted mushrooms on their pizza, and some did not. Others wanted pineapple on their pizza, and some did not. They let Mom pick the toppings this week since they went with what Garry wanted last time. The next was about what movie to watch: action flick, comedy, or princess movie? Dad and Mom decided to introduce Garry to one of their old favorite movies. Even though it might not have been his choice for toppings or movies, Garry was happy to have a family night together.

Church time can feel a lot like pizza and movie night. Everyone is excited to be together and worship God, but there are different ideas about how that looks. Tall people, short people, younger people, older people, pineapple-on-pizza people, and no pineapple-on-pizza people all make up the church. God brought all of us together so that we could be thankful for Jesus dying on the cross for our sins and to help each other live

like him. Just like Garry knew he belonged to his family even though he liked different pizza toppings, the church reminds us that we belong to God as part of his family.

As you sit in church this week, look around and say thank you to God for the different people he has used to teach you about him.

## Prayer

Dear God, thank you for the church. Thank you for the pastors, Sunday School teachers, family, and friends you have given me to help me learn more about you. Amen
