# CASEY'S DAY

Everything God made reflects his creativity—including you! Maybe you like to build with Lego blocks, dance, solve puzzles, garden, make up songs, or write stories. Your creative mind actually reflects God's creative mind. After all, he is the most *creative* Creator, and he made us in his image. And God wants us to use our creativity to tell the story of the gospel. How will you be strong and brave and share God's Word this week?

Do you ever think of Jesus as creative? Jesus showed God's love in ways that burst with creativity!

- As we see in today's reading, Jesus told stories about his Father's kingdom and love that had people on the edges of their seats, stories like the [Parable of the Sower](#) and the [Parable of the Good Samaritan](#).

- Jesus asked creative questions to teach big crowds of people and challenge religious leaders.
- Jesus showed God's love to unexpected people in unexpected places: to an unpopular Samaritan woman by a well, to a tax collector in a tree, and to a criminal on a cross. These creative moments continue to illustrate God's love to this very day.
- Finally, he chose moments to creatively demonstrate God's power by feeding 5,000 hungry people with one boy's lunch, giving sight to the blind, and even bringing dead people back to life.

As we follow God, we can use the creativity he gave us in the same way Jesus did, in the different ways we show people God's love. Using the creativity God gave each of us, we can ask God to help us be strong and courageous to share his gift with the world in unique and creative ways! Perhaps God gave you the creative ability to sing songs about his love, to be a gospel storyteller, or to serve others with your talents. Remember that God chose you to share his gift with the world in unique and creative ways!

## Prayer

Dear God, thank you for the stories in the Bible that teach us how Jesus showed your love. Please make us strong and courageous and help us to share the gospel using our creative gifts. Amen.
