Memory Verse

CASEY'S DAY

Have you ever been treated like you were too young or small to do certain things? Maybe you were the last one picked to join a team on the playground, or a bully picked on you because of how you look. Maybe a grown-up sized you up and decided you couldn't handle a job that needed doing. It hurts when others don't see all the great gifts God has placed inside you. But instead of staying sad or mad about it, be like David.

David was the youngest son, caring for his dad's sheep. Though a lion and a bear were much bigger than David, they were no match for the God watching over him. With God's help, David protected himself and the sheep from these wild animals. So, when a giant human named Goliath from Philistia tried to attack David's people from Israel, David was sure that God would protect him again. Yet no one believed him. Why? Because they saw him as just a little shepherd boy.

But there was more than meets the eye. Although David was just a boy, he had more faith in God than his big brothers, his dad, the soldiers, and even King Saul! That's why God chose David to be the next king—not because he was the biggest or the strongest, but because he trusted God with all his heart. And with that giant-sized faith, David defeated the mighty Goliath! So here's a fun saying to remember: "Little becomes much with Father God's touch."

Prayer

Father God, thanks for choosing me to be your child. Help me to believe that you can do great things through me, even if others don't believe in my abilities. In Jesus Christ's name, I pray, Amen.
