CASEY'S DAY

Have you ever been on a sports team? Did you know God has a team, too? God's team is called the church. The church is not just a building; it's a community of believers. Like team members help each other to win a game, Christians work together as a team to help each other grow in their faith and show Jesus' love to their neighbors!

The first church was formed by Jesus' friends, who were called the apostles. God amazed everyone with the miracles and wonders he performed through the apostles. The Lord's followers met together in their homes to learn about God and became family for one another. They shared with one another, and if anyone was in need, they worked together as a team to provide for them. They praised God, and God helped their church "team" become strong.

Like the people of the early church, we can follow God by helping our neighbors in need and coming together to praise him. In Matthew 18:20, Jesus told his disciples, “Whenever two or three of you come together in my name, I am there with you.” He is with you and your family when you read the Bible together. He is with you and your friends when you talk about God. This week, talk with your family about how you can join with a community of believers to worship God.

Prayer

Dear God, thank you for church communities that are here to help me learn about you. Thank you for being with my friends and family when we worship you. Please show me how to be a good team member in my church so more people can know you. Amen.
