CASEY'S DAY

Chance was having a hard time lately. He was feeling sad and lonely even though he hung out with friends each day. At home with family, he still felt like he was by himself in the world. He completed his daily activities like normal, but his face showed his true feelings. One day after Sunday school class his teacher, Mr. Williams, asked if he was okay. Chance shrugged and responded, "I don't know, Mr. Williams. It just seems like I'm all alone, but I know I'm not. I have a great family and friends, but when I have problems, I don't know who I can talk to. Strange, right?"

Mr. Williams patted Chance on the shoulder, smiled, and said, "Not at all." He wrote a note on a piece of paper and handed it to Chance. On it was the verse **Isaiah 41:10**.

David the psalmist reminds us that when we feel afraid, lonely, and unsure, God is the answer ([Psalm 62](#)). David experienced God's power and kindness in the middle of his trouble. Even though David's situation did

not instantly change, David recognized that God was always with him and that only God could save him. What changed was how David thought about his circumstances. God gave him peace.

Do you ever feel alone, even in a group of people? Maybe you think no one can help you solve a big problem. You may feel lonely and helpless, but God promised that he is with us. He promised to make us strong and be with us ([Isaiah 41:10](#)). He is a promise-keeper!

Prayer

Dear God, thank you for always being with me. I know that you will always be there, even when I feel like I am by myself. I am not alone. Help me to remember that when I am lonely. Amen.
