# CASEY'S DAY

Philip was excited! Even though he had to leave his home in Jerusalem, he ended up in a place called Samaria. While he was there, God blessed his words, and the gospel (good news about Jesus) spread around the city. God had brought him through a hard time, and now he saw the power of God's Word at work!

Then the Spirit told Philip to go.

Philip listened. He started walking down the road. He didn't know where he was going, who he would meet, or what would happen. A fancy chariot came by. On it was an important man wearing the royal garments of the country of Ethiopia! He looked really important—maybe too important—for Philip to talk to him.

Then the Spirit told Philip to go.

Philip listened. He walked up to the chariot and saw that the man was reading a scroll. Philip didn't know how the man might respond or if he could answer any of his questions. Then Philip asked, "**Do you understand what you're reading?**"

The man said he needed help. He was reading a passage from the Bible about someone special who would come to help people. Philip knew this person was Jesus. God blessed Philip's words as he told the man all about Jesus, and the man believed and asked to be baptized right away.

Then the Spirit took Philip somewhere else.

Philip did not know who he would talk to next, but he knew that God was with him wherever he went.

God is with you too. He is preparing you for good works. He is teaching you things you will share with other people. What questions might some of your friends have about Jesus? How might God use you to answer those questions?

## Prayer

Dear God, thank you for being with us when we feel uncertain. Thank you for giving us what we need. Use us to glorify your name. Amen.
