After You Listen

In this episode, Lacey discovered that her friends weren't true friends. They abandoned her as soon as they found out her family was poor. But Lucille demonstrated to Lacey what a true friend is.

In [1 Corinthians 13:4-7](#), the Holy Spirit gives us a great definition of friendship. These are the characteristics of true love. "Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres." If there is someone in your life who treats you like that, that person is a friend. In return, as a friend, you should model that same kind of love.
