Let's Get Started

Episode Theme: If Christians are to be a reflection of the person of God through Jesus, how accurate is the picture we present?

1. What is an image? What does it mean that you are created in the image of God?

2. In the Old Testament, there are many stories about the Israelites being tempted to worship idols. In [Exodus 32](#), the Israelites created a statue of a Golden Calf to worship. They wanted to copy the Egyptians and worship images of their gods. The idea of worshipping a god that they could see was attractive to them. But idols like this are only created objects. God is the creator of all things and being an image-bearer of God means we reflect God's creativity, goodness, and love. As you listen to today's program, think about the Israelites' temptation to worship created idols and how that's different from worshipping and reflecting the Creator of all things.

Memory Verse

⁴⁹ Just as we are like the one who was made out of earth, we will be like the one who came from heaven.

1 Corinthians 15:49

After You Listen

In the story, Kayla sang and played a song that she found on the church piano, but she didn't understand the words. As a family, listen to the song again and read the words below. What words or phrases stick out to you? Discuss these words or phrases with a family member or friend.

Who You Are

David Yeager

Verse 1:

Beautiful

Every son or daughter looks a little like the Father

Beautiful

Though we fall

The sin that bent and broke us puts the picture out of focus

Through it all

The one who made us his

Is making all things new

Chorus:

It's not what you do, it's who you are

Shining the light of the morning star

Make it clearer, be a mirror of the glory of God
It's who you are

Verse 2:

Don't lose heart
Every act of kindness heals a little blindness
Don't lose heart

Keep up hope
Every eye that sees us sees a little bit of Jesus
When we open up our hearts to him
And let his love show through

Chorus:

It's not what you do, it's who you are
Shining the light of the morning star
Make it clearer, be a mirror of the glory of God
It's who you are

Challenge

It is important to know that you are created in the image of God, but what does it mean that other people are created in the image of God too? How should knowing that other people are created in God's image affect the way you treat them? Discuss this as a family. Then, name one way that each of your family members and close friends is created in the image of God.
