Let's Get Started

1. [1 Peter 2:17a](#) says, "Show proper respect to everyone, love the family of believers, fear God, honor the emperor." What does the word respect mean? How do you show respect to your family members and your schoolmates? Give some examples.
2. God gave specific guidelines on how to live a life of respect for him, for yourself and for the people around you. You may not always agree with others, but respecting others means you will honor them and treat them and their property with politeness and courtesy. At Mount Sinai, God gave Moses a list of ten commandments ([Exodus 20:1-17](#)). These commands were meant to guide the Israelites in living holy and respectful lives. The first two commandments tell about respecting God. The next eight tell about respecting the people around us. As you listen to the program, think about what the commandments say about treating others.

Memory Verse

¹⁷ Respect everyone and show special love for God's people. Honor God and respect the Emperor.

After You Listen

In this episode, Liz, Morrie and Scooter snoop in Granny's personal things and start a chain of events that they can't control. Respecting someone means you act in a way that shows you care about their feelings and their well-being. It doesn't mean that you will always agree or get along with someone, but that you can see them as a fellow child of God, made in his image. Jesus said the most important rule was to love God most of all and to love the people around you ([Matthew 22:37-40](#)). This is the greatest commandment. When you treat people the way you would like to be treated, you are showing respect for them and caring for them in a way that pleases God. This includes minding your own business and respecting someone else's property.

Want to dig deeper about showing respect for others? Read [Matthew 7:12](#), [Romans 12:10](#) and [Luke 6:31](#).
