

LUCILLE'S CHOICE

The Terrene Gazette's deadlines are looming! Lucille has no time to finish. What choices does she have to make to get things done?

Let's Get Started

Episode Theme: Making wise choices.

1. [Proverbs 19:20](#) says, "Listen to advice and accept discipline, and at the end you will be counted among the wise." What do you think this verse means? Describe a time that you were glad you followed someone else's advice. Describe what happened because of it.

2. In [Joshua 5:13-6:27](#), Joshua had just been named the commander of the Israelite army. His job was to lead this army and conquer each city in a brand new land, and the first city on his map is Jericho. Jericho has a thick wall all around it. There's no way to get into Jericho, but somehow he had to make a plan. How was he going to do it? Where does Joshua get advice from? An angel instructs Joshua to follow God's commands for the attack on Jericho. Joshua receives God's help to do a very difficult task. As you listen to this episode, think about the times that you've had trouble with knowing the best thing to do.

After You Listen

In this episode, Lucille had to make a difficult decision. She asked someone for advice. What will you do the next time you have to make a difficult decision? Here are three ways that you can look to God in order to make a good decision:

1. Read the Bible. Psalm 119: 1 says, "I treasure your word above all else; it keeps me from sinning against you."
2. Pray to God for help. James 1:5 says, "If any of you need wisdom, you should ask God, and it will be given to you. God is generous and won't correct you for asking."
3. Ask people that you can trust. Proverbs 13:10 says, "Too much pride causes trouble. Be sensible and take advice."

So what should you do when you have a decision to make and you don't know what to do? Do what Joshua did—look for God's answer in Him and in the people around you.

Challenge

Identify a difficult decision that you are struggling with and design a 'plan of action' for making those tough decisions. Maybe some difficult decisions are what sport to play, or what project to tackle next, or how to

confront a friend. Make sure your plan includes these three things: the Bible, prayer and the advice people you trust. Make a list of who you are going to consult when you face a difficult decision.
