Let's Get Started

Episode Theme: Show that you are a Christian.

1. In [Romans 12:3](#), Paul is writing to the Christians in Rome and he encourages them to encourages us to “use good sense and measure yourself by the amount of faith that God has given you.” What does it mean to use good sense? Why do you think Paul recommends we measure ourselves by the amount of faith God has given us?

2. In [Luke 18:9-14](#), Jesus told a story about two men: a religious Jew, called a Pharisee, and a sinful tax collector. The Pharisee was a showoff. He made sure that everyone around him heard his prayer. He praised himself at the same time that he disrespected the tax collector. The tax collector was humble. He separated himself from everyone and couldn't even look up to heaven as he asked God for forgiveness. Then Jesus said, “When the two men went home, it was the tax collector and not the Pharisee who was pleasing to God. If you put yourself above others, you will be put down. But if you humble yourself, you will be honored.” Think about the actions of the Pharisee and the tax collector as you listen to today's program.

Memory Verse

“I realize how kind God has been to me, and so I tell each of you not to think you are better than you really are. Use good sense and measure yourself by the amount of faith that God has given you”

Romans 12:3, CEV

After You Listen

In this episode, Kayla said, “Selfies are about being beautiful, showing off fancy clothes, and wearing the proper lipstick.” Spike said, “Looks to me like lizards are just taking weird photos of themselves and hoping that other lizards like them.” Why do you think people do selfies? Like Spike, some people see a selfie and make an opinion based one what they see. It may not be right, but people judge you and your family by the pictures you are in and what your family posts. Do your family's pictures and posts show that you all are a Christian? Don't keep your faith quiet or hide it. Instead, as a famous Christian once said, “Preach the gospel and when necessary, use words.”
